### REPORT OF THE MANAGEMENT

#### Type of operations

The Company was established in 1900 as the Riga's first state alcohol warehouse and operates under the current name since 1970. Due to SPI Group internal reorganization the major shareholder of Latvijas balzams AS from October 2014 is Amber Beverage Group SIA, which owns 89.99% of the Company's equity capital.

Nowadays Latvijas balzams operates two alcohol production facilities in Riga – production plant for strong alcohol beverages and a production plant for sparkling wines and light alcohol beverages. We use ingredients from around the world and have retained our traditional beverage production technologies. The recipes for some of our signature products date back hundreds of years, for example the recipe o Riga Black Balsam is rotated back in 1752, but our renown Moskovskaya Vodka dates back to the end of the 19th century.

The company keeps the leading presence in all key spirits segments, as well as in sparkling wines, ciders, and RTDs, in the Baltic region. The newest generation of spirits, including Riga Black Vodka and Amber Gold Vodka, are produced using innovative filtration technologies that results in particular character profiles for beverage connoisseurs.

We are proud for our ability to produce high quality liquids consistently, and develop new products driven by consumer insights. On the same time we are able to maintain high-quality international standards required by SPI Group, so that sales of Stolichnaya are possible around the world, including sales to Japan.

Latvijas balzams AS is the largest producer of alcoholic beverages in the Baltic States with a range of more than 100 different brands. Our products are exported to more than 170 export markets as mediated by SPI Group, and to 42 markets via the Company's direct export route.

### The Company's Activity

The unaudited turnover of the Company was 78.3 million euro, which is 3.4% more than in 2016. Increase in turnover was achieved by increase of orders from our biggest Private Label customer SPI Cyprus, as well as due to significant growth in sales of Latvijas Balzams brands within local market through Amber Distribution Latvia. Additional positive effect on turnover come from increased level of warehouse and logistics services provided to both 3rd part and Group companies.

From beginning of 2016, the Company is providing a number of warehouse and logistics services, mostly to beverage companies – like transit assurance services, bonded warehouse services, 3-rd party logistic services, value added services, picking, etc. Actions taken, has allowed to utilize the available resources and assets in more efficient way. Latvijas balzams AS has been performing as European hub for group distributed brands in Europe, including Scandinavia and Russia (KAH, Bayou, Arinzano, Achaval Ferrer). From third quarter Latvijas balzams Customer service center has also overtaken customer service and inventory management service for those brands.

The unaudited profit for the reporting period is 8.58 million euro that represents 14% increase in comparison to Year 2016. Profit result is materially affected by changes in taxation principles as stipulated by the Law on Corporate Income Tax of Republic of Latvia effective from 01.01.2018. As a result of those changes the Company in these condensed financial statements has fully reversed the deferred tax liability and recognized the gain from reversal through income tax expense position in Income Statement.

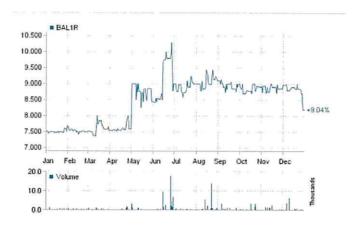

Profit from operational activities are in line with last year, even last year results include income from one-off transactions like compensation received from insurance company for fire case in 2014 in amount of 280 thousand EUR and profit from sale of real estate in amount of 594 thousand EUR It is mainly achieved through higher sales volumes and more effective business operations.

Latvijas balzams AS is one of the largest local taxpayers. During the reporting period, the Company paid 59.7 million euro to the state budget, including excise tax, amounting to 47.5 million euro.

### REPORT OF THE MANAGEMENT (continued)

### Share market

In 2017 the Company's share price fluctuated from 7.37 to 10.40 euro.

### Financial risk management

The Company's activities expose it to a variety of financial risks, including the credit risk, liquidity risk and risk of changing interest rates. The Company's management seeks to minimise potential adverse effects of financial risk on the financial performance of the Company.

The Company's borrowings have variable interest rates. The management of the Company considers possibilities to apply risk hedging instruments in order to minimise the effect of variable interest rates.

The financial assets, which potentially expose the Company to a certain degree of credit risk concentration are primarily cash, trade receivables, receivables from Group companies and loans. The Company's policy provides that the goods are sold and services provided to customers with appropriate credit history. For the bank transactions only the local and foreign financial institutions with appropriate ranking is accepted.

The Company pursues a prudent liquidity risk management maintaining sufficient credit resources that allow settling liabilities when they fall due. The management of the Company manages the liquidity and cash flow risk by maintaining adequate cash reserves and securing sufficient financing, by using borrowings, overdrafts, financial leases as well as by monitoring forecasted and actual cash flows and by matching term structure of financial assets and liabilities. The Company's current assets exceeded its current liabilities by 46.3 million euro (31.12.2016. – 39.2 million euro). The Company has a strong ability to meet its short-term obligations.

### REPORT OF THE MANAGEMENT (continued)

### Future prospects

In 2018 the Company will keep focusing on investment opportunities in existing and new export markets with strong growth potential and accelerating sales. We'll keep the strong focus on our core brands - Riga Black Balsam and Cosmopolitan Diva - investing into international recognition, brand equity and increasing market share.

The Company will also continue to improve the efficiency of production with focus on purchasing, planning and infrastructure improvements to support our goal - to deliver quality products with a competitive cost advantage.

Company has developed large-scale plant modernization and reconstruction project with aim to merge both production plants into one territory. Project will allow to improve company's competitive positions among the region producers by decreasing labour, logistics and production costs. Total costs of project estimated at amount of 23 million euro. Latvian government supported project by granting CIT discount after fulfillment of the project. At this moment Company finalizing technical project works and is going to present project to shareholders to obtain their final approval on investment during regular shareholder meeting.

Latvijas balsams AS is an active member of Latvian Alcohol Industry Association and cooperates with core non-governmental organizations, representing the interests of industry in any dialogue with legislators and law enforcement institutions. The Company supports development of well - considered industry policy in Latvia and promotes responsible consumption and public education on these issues, as well as continues to combat the illegal production and distribution of non-commercial alcohol.
